

SUSTAINABLE MADISON TRANSPORTATION MASTER PLAN

OPEN HOUSE: BICYCLE PLANNING

Come share your thoughts on Madison's draft bicycle plan

- How to improve Madison's streets, roadways and intersections for bicycling
- Where future bikeways should be located
- Where there are key barriers to bicycle mobility in the region
- What types of amenities would help make bicycling a great transportation choice for residents of all ages and abilities

The City of Madison invites you to attend an open house regarding the bicycle plan component of Madison in Motion (the City's Transportation Master Plan).

Come review concepts addressing Madison's current and future bike transportation needs, share your thoughts, and interact with our team of planners and bicycling professionals. We will have maps, data and imagery, and we're ready to work with you to plan a better bicycle system in Madison.

Thursday, June 11
4:00-6:00 pm

Madison Municipal Building
Room 300
215 Martin Luther King Jr Blvd
Madison, WI 53703
