Accessible voting

State law requires voters to sign or make their mark on the poll book. If you are unable to sign due to a disability, you are exempt from this requirement.

If you are unable to state your name and address at the poll book, you may designate someone else to state your name and address for you.

If you have health issues, you may vote from the curb of the polling place..

Every polling place has an accessible ballot marking device. You may designate someone to help you mark your ballot as long as your assistant is not your employer or union representative.

Proof of Address vs. Proof of ID

You prove your address only when you register to vote

Proof of address must show your name at your current address. You can use – on paper or electronically:

- Unexpired WI driver license/ID
- Utility bill from last 90 days (water, gas, electric, cable, internet...)
- Bank or credit union statement
- Property tax bill or receipt
- Government document or check
- Paycheck
- Residential Lease in effect on day you register
- Affidavit on letterhead from a social service agency for a homeless voter
- Student ID and a private college fee statement from last 9 months
- Care facility contract/intake document

You show ID every time you vote

The address on your ID does not matter. Voters without ID may vote provisionally. You can use:

- Wisconsin driver license/ID expiring after 11/6/2018
- U.S. Passport expiring after 11/6/2018
- Military ID expiring after 11/6/2018
